<https://secure.glowscotland.org.uk/login/login.htm>

Glow is a national intranet facility which offers a wide range of age and stage appropriate resources.

Your child should be familiar with his/her unique login details.

Suggested activities for glow:

- Login to the NLC classroom and access the range of Literacy, Numeracy, Science and topic-related games
- Login to Grid Club and access the games for learning for all curricular areas
- Avatar Creator - have fun creating your own avatar and playing games with it
- Login to One Drive and create a PowerPoint, video or use sway to make a presentation using media

Further information about using glow at home can be found on the school website.
